

OUR TOP 10 FUNDRAISING TIPS

1. Be the first!

By donating to your own page you are showing your commitment to your fundraising and setting the benchmark for other donations.

2. Upload a photo

People are more likely to donate if they can see who they're giving to.

3. Update your fundraising page

Keep your donors and potential donors updated with your progress.

4. Tell your story

Tell supporters know WHY you're doing Bondi to Bush.

5. If you hit your target - increase it!

If people think you are close to meeting your target they may not donate the \$200 they were going to if you are only \$75 off your goal.

6. Let people know how much to donate

For example, \$50 could provide a lightweight, multi-purpose splint, which protects fractures or injured limbs until the patient can reach further treatment.

7. Thank you donors

Let them know their donation has been noticed and appreciated.

8. Contact us!

We would love to hear from you! Let us know how you're going and if you need any help.

9. Share your page on Facebook, Instagram and Twitter

10. Ask again!
